

Over 1 million people will be diagnosed with skin cancer this year. On December 9, 2009 SHADE Foundation of America will present the third annual Holiday Bubbles & Bites charity event at The Ritz-Carlton, Boston Common. We need your help to make this event a success! We are kindly requesting you to donate an item or certificate for our auction.

Bubbles and Bites will be hosted by Curt and Shonda Schilling and will feature a high end holiday gift auction, champagne stations, and cuisine prepared by Boston's top chefs, including Todd English of Olives, Dante de Magistris of Dante, Jeffery Fournier of 51Lincoln, Tony DeRienzo of Waterfront Grille, Brian Poe of Poe's Kitchen at the Rattlesnake, Shingara 'Pepino' Singh of DaVinci, Clayton von Hooijdonk of The Ritz-Carlton, Boston Common, Rodney Murrillo of Avila Mediterranean Restaurant, Jeremy Sewell of Eastern Standard and dessert provided by The Omni Parker House and Hard Rock Cafe. We invite you to take advantage of the exposure your donated auction item will receive at this highly publicized event.

SHADE is a 501 (c) 3 non-profit organization. It was founded in 2002 following Shonda Schilling's battle with melanoma. Today, 1 in 5 children will grow up to develop skin cancer, which is currently the number one cancer killer among women ages 25-29. SHADE believes in preventing skin cancer through education. Your item donation will help generate income for SHADE so that we may continue to fund our nationwide education, prevention, and awareness programs.

Last year, proceeds from Bubbles and Bites were used to help SHADE educate nearly 8,000 children across the country in sun safety as part of the SunWise with SHADE National Poster contest, produce Skin Cancer Self Exam DVD's, and administer the 'Limit the Sun, Not the Fun' program.

Please do not hesitate to contact us with any questions. Many thanks for your consideration.

Sincerely,

Sue A. Gorham
Executive Director

Shonda Schilling
President

Please complete and return the attached form no later than November 20, 2009!

Your support for the SHADE Foundation is greatly appreciated.
